Rev. Phelps.

Now I am once more, and have brought with me a young lady, who will be very happy to see you, whenever you can make it convenient to call upon ^{her} ~~you~~. If we could have found any conveyance, we should have taken you by surprise last night at eleven or twelve o'clock. She is very well, with the exception of a cold she has taken on her journey. Remember me to all your family, and believe me as ever,

Yours truly —
Lucy Little
